1 Samuel 16 v 7

People look at the outside of
a person but the Lord looks
at the heart.

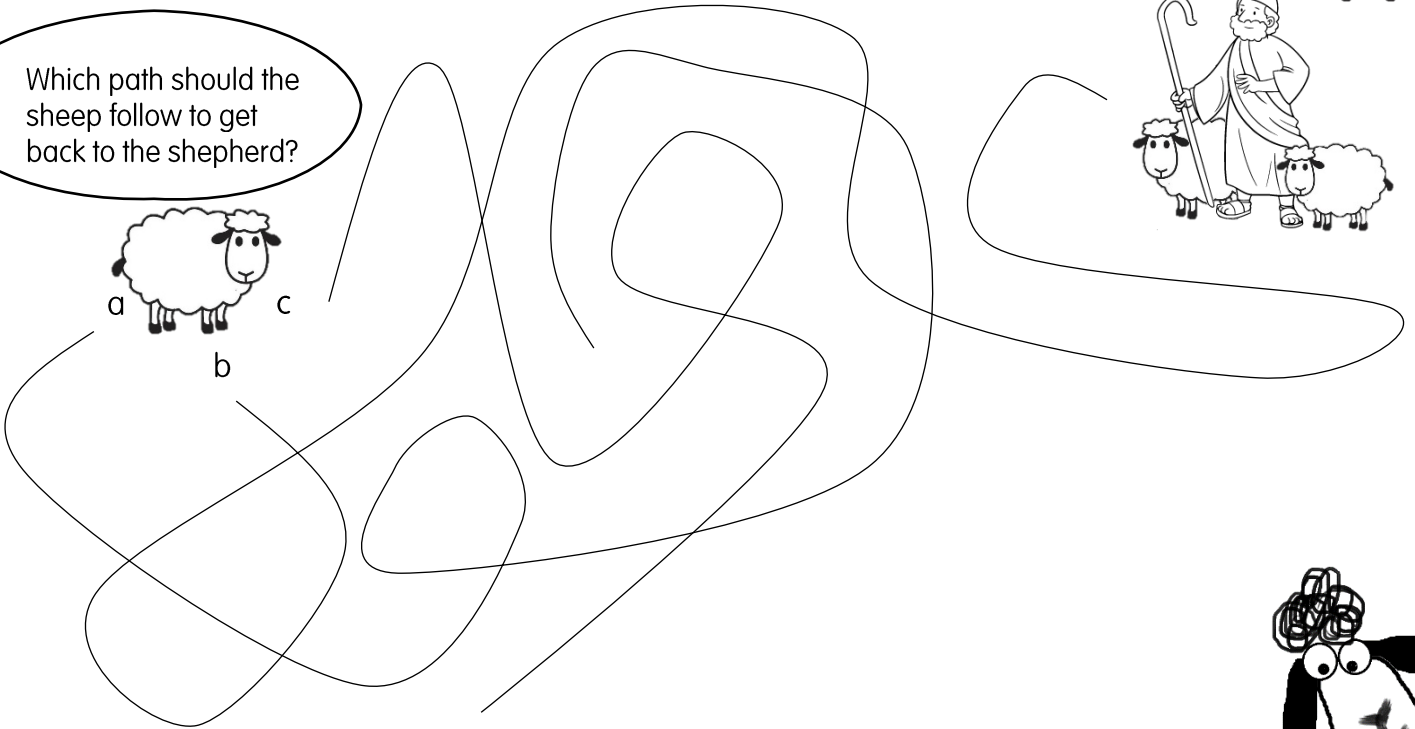

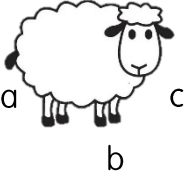

PUZZLE SHEET

David was a shepherd – how many sheep can you find on this page?

Which path should the sheep follow to get back to the shepherd?

Can you find eight differences between the two pictures?

Draw a big tangly scribble to give the sheep a body, then finish the picture by adding a lovely green field full of delicious grass for the sheep to eat!
